

IMMERSIVE LEADERSHIP DEVELOPMENT

Quarterly Workshops Develop Leaders Worth Following.

Workshops can be delivered in a single day or a day and a half, depending on available time.

We embed ourselves in the organization for maximum impact and create a holistic approach to complement leadership development initiatives.

In essence, we become your trusted Leadership Development Content Partner. Workshop content is structured on 2-year delivery plan, convening once a quarter.

WORKSHOP TOPICS

The Roadmap to Remarkable

Addresses how to craft a compelling culture by creating better employee experiences that translate into superior service and outrageous results.

Relationomics

Equips leaders to create relationally rich environments where team members may flourish and inspires them to bring their best to work daily.

Fireproof Happiness

Develops a resilient workforce that is hopeful and happy, elevating productivity, innovation, and longevity.

Emotional Intelligence

Learning the essentials in reading and leading oneself and exploring how that impacts the ability to lead others with empathy and accountability.

Executive Presence

Assists individuals in adopting the principles and practices necessary to become leaders worth following, balancing compassion and accountability.

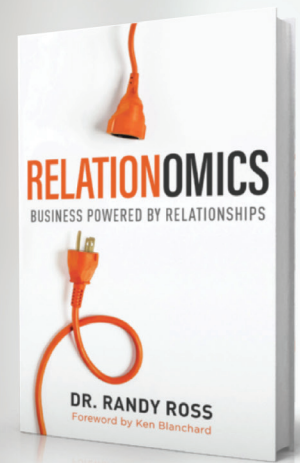

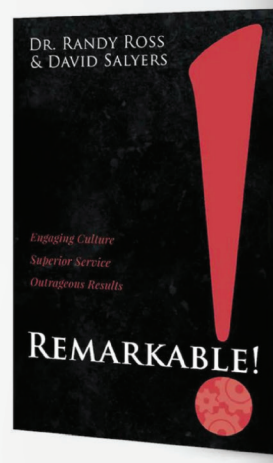

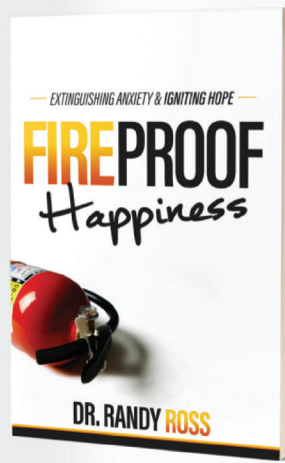

Compelling Communication

Designed to help sharpen communication skills, enhancing clarity by crafting compelling presentations.

Make Life Good

Challenges individuals to confront the attitudes and motivational drivers behind their actions and consider what kind of wake they are leaving in the world. These sessions also encourage each person to evaluate what difference they're making.
